PROPERTIES / PRODUCT DESCRIPTION

CeraShield Wash Down Soap contains a powerful blend of detergents and special additives which rapidly lift oil, grease, salt deposits and grime from surfaces whilst leaving a long lasting streak free shine.

CeraShield Wash Down Soap offers an enhanced cleaning performance with the minimum of effort. The product has a lovely cherry fragrance making it a joy to work with and is biodegradable

APPLICATION

For best results add a few capfuls of soap to a bucket of fresh water and wash using a brush, rinse with water. Do not let it dry and wipe away to clean the area.
